The Electrical Industry Training Center is a non-profit institution which is self-funded through employer contributions. The Collective Bargaining Agreement, as negotiated between IBEW Local No. 1, and the National Electrical Contractors Association, provides the financial commitments necessary for the proper operation of the Electrical Industry Training Center. Only employers signatory to this agreement contribute to the Electrical Industry Training Trust Fund.

This year, the Joint Apprenticeship and Training Committee will provide a waiver of course fees for members of IBEW Local Union No. 1, provided the following criteria are met:

1. Individual has worked under the "Construction Agreement" or "VDVS Agreement" a minimum of 2000 hours during the last twenty-four months prior to registration.
2. Individual is currently working under the "Construction Agreement" or "VDVS Agreement" as negotiated between Local Union No. 1, and the National Electrical Contractors Association.
3. Individual must maintain an 80% attendance average and a minimum 70% grade average

PROMISE TO PAY AND ASSIGNMENT OF HOLIDAY BENEFIT

In the event the undersigned fails to complete the course requirements stated above for free tuition for any course of instruction, the undersigned agrees to pay the charge for any such course in the amount stated below.

Further, undersigned hereby assigns to Electricians Joint Apprenticeship and Training Committee the right to any future Holiday benefit from the IBEW-NECA Holiday Fund to the extent of any payment due for any such course.
